

Change the way you view science.

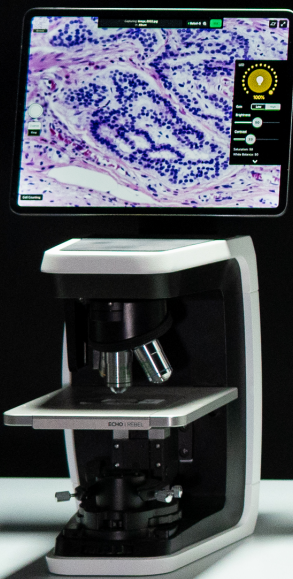

Come take a tour of Rebel and Revolve—the world's first and only hybrid microscopes that easily transform between Upright and Inverted configurations. We've replaced the eyepieces with a beautiful display to create an experience you've never seen before.

ECHO | PIC-STRA
CRBS Room 44
Tuesday, June 15th
10:00am - 5:00pm
